For more info and to apply:

<http://www.afsf.org/programs/build-san-francisco-summer-design-institute/>

The Summer Design Institute is a unique, fun 3-week immersion in the world of architecture and design.

- **Gain sustainable design and architecture skills:**
  - CAD-3D digital design software
    - Autodesk Revit,
    - SketchUp
  - Sketching, model-building, and more
  - Design process and presentations
- **Create a portfolio**
  - your original designs
  - useful for college or job applications
- **Experience the professional**
  - Site-visits, meeting architects & engineers
  - Collaborate with peers
  - create designs to meet real-world challenges

**DESIGN YOUR OWN FUTURE!**
